

PRIVACY POLICY

MAILING LIST

We collect personal data from you when you register to join our mailing list, this information is protected by UK data protection law.

We use MailChimp to store email addresses and names; to send our newsletters and to track interactions from those newsletters. Please see MailChimp privacy policy for more information.

When you choose to sign up for our Mailing List:

- We will collect your name and email address
- You agree to the collection, storage and processing of your personal information by us, using MailChimp
- Your personal information will be used to inform you about events and news that we think will interest you
- The information we hold about you will be accurate and up to date. [You can contact](#) us to check this information. If you find any inaccuracies we will delete or correct them promptly.

We do not share your personal information with third parties except MailChimp. If you want to end your subscription to our newsletter you will find an unsubscribe link at the bottom of each newsletter.

EXTERNAL LINKS

We aim to include only quality, safe and relevant external links. However we have no control over the nature, content and availability of those sites. The inclusion of any links does not necessarily imply a recommendation or endorse the views expressed within them.

Users should note that they click on external links at their own risk and this website and its owners cannot be held liable for any damages or implications caused by visiting any external links mentioned.

COOKIES

A cookie is a piece of information in the form of a very small text file that is placed on an internet user's hard drive. The information the cookie contains is set by the server and it can be used by that server whenever the user visits the site. We use cookies on www.riseyouthdance.com as a form of user identification in certain areas of the site, but they do not record any confidential or personal information. For more information, consult the [Square Space Cookie Policy page](#).

We also use Google Analytics cookies to calculate the number of users who visit the website. These cookies make it possible to measure and analyse the way in which users browse the website.

This information allows us to continually improve our services and the experience of users of the website. For more information, consult the [Google Analytics privacy page](#).
